**POLICY SERVICE STATEMENT RE. STORM YARD WASTE /
TREE DEBRIS SERVICES FOR OUR CUSTOMERS**

Note:ID is not a tree removal service.Guidelines are enforced

1. ID can provide our HOA – communities 3RD, 4th, 5th 6th class cities an open top demolition / construction container(s) which can be centrally located in any community where residents may deposit tree debris branches, twigs (no trash or junk items). Please call ID Customer Service @ 638.9000 for rates and arrange for billing and delivery. These containers can be provided to an individual as well or a community with one bill to the responsible party.
2. For ID Homeowners Associations (HOAs) or 3RD, 4th, 5th, 6th class cities who do not have yard waste service beyond the Jan. 15th cutoff period, ID can arrange for a 1 time –1 day community yard waste pickup@ an hourly rate plus tonnage disposal cost. This is only available under a one bill arrangement with the city or HOA. Materials must be in compliance with normal yard waste guidelines..no longer than 4ft. not to exceed 4-5 ft in length , tied/bundled or containerized not to exceed 50 lbs . **This is not a tree removal service.** Call ID Customer Service to arrange @ 638.9000
3. Subscription- Individually Billed residents. Call in to ID Customer Service @ 638.9000 to schedule pickup at a “per pickup” fee with limitations of number of bundles /containers and must be under yard waste guidelines for material preparation

Please call with any questions or clarifications 638.9000

Sincerely,

Michael L. Patterson, Municipal Accounts Mgr. ph . 636.9448
